

Janice L Foley, MBA, CPA, CISA, CFE, CRMA, CIG

As the Director of Audits and Investigations, Janice is responsible for providing leadership to internal audit staff in their performance of internal audits, investigations, and consulting projects throughout the University, in compliance with professional standards for the practice of internal auditing. She also supervises internal audit staff's audit follow-up activities. Additionally, she performs audits and consulting projects and audit follow-up, as needed. She also assists the Chief Audit Officer with annual risk assessments of the University and the development of annual audit plans and annual reports for the Office of Inspector General Services, as well as recruitment, training, and development of internal audit staff.
